LEVEL 3 - RUN-ONS AND COMMA SPLICES

Directions: You're the teacher. Create a paragraph that you will use to teach students to identify and fix run-ons. You will receive 5 points of extra credit if you create at least 8-10 sentences below, exchange papers with a friend in one of my classes, and have them identify/fix all errors. In order to get your points, you will need to show this page to Ms. Wilkie before the quiz.
