

## **LEVEL 5 - NON-ESSENTIAL ELEMENTS (ALL)**

**Directions: You are the teacher.** In the space below create a \*creative\* notesheet that all students could use to help them on a future quiz. You should present a creative way to understand the material (a web, a picture, etc.) and example/sample problems with the answer. Sample problems cannot be from optional homework

You should focus on the following:

3 pts of extra credit	Dashes and Parenthesis
5 pts of extra credit	Who vs. Whom, Which vs That
